Key elements of the Conference

- *What does the Dignity in Care campaign mean?*
- *How do we ensure Dignity in Care remains prominent?*

Chair, Bishop of Lincoln, Rt. Reverend Dr John Saxbee

The purpose of the conference is to provide an overall reflection of the Dignity in Care Campaign so far and to share the lessons learned across the region. The conference will give those attending the opportunity to identify the steps which they can continue to make both personally and

professionally in ensuring that dignity in care remains prominent.

The conference will seek to reinforce the ultimate responsibility which individuals have in ensuring that best practice is embedded and firmly cemented in our ethos of care.

*"Put Dignity at the
Heart of Everything
We Do."*

Guest Speaker, Simon Weston OBE

"In 1982 I was aboard the Sir Galahad when it was destroyed in Bluff Cove on the Falklands Islands. I suffered 46% burns to my body and went on to have numerous operations. However, I was one of the lucky ones. I survived..."

Since then it has been my privilege to have been invited to speak at events across the UK and abroad. I have met some wonderful people and had the opportunity to have been involved in many worthwhile charities."
