As part of this project we are inviting care workers to discussion workshops across the North West, so you have the chance to talk about any worries, what ideas you have, and what you think and feel when talking about abuse. Workshops will be informal, friendly, and facilitated by Fraser from KETSO.

Your discussions, plus info from our survey and focus groups, will help form an online support toolkit that you will be able to access anytime, via PC, tablet or smart phone.

These workshops aren’t ‘training’ - we want to hear what you do, think and feel. Care workers are a really important part of keeping people safe, without you, older people and those living with dementia would be even more vulnerable.

If you would like to attend one of the workshops below, you can RSVP quickly at http://www.wouldyouknow.org.uk/what-do-you-think.html or email us project@wouldyouknow.org.uk - tell us which venue you want to attend, and if you have any access requirements.

RSVP only please - we’re keeping groups small so it’s easier for everyone to be heard. When you RSVP you will receive an email with full details of how to get to the venue. Buffet lunch will be provided at PM sessions, pastries and biscuits at AM sessions.

- **Tameside**
  - Denton Festival Hall
  - Monday 12th January
  - 10-12

- **Manchester**
  - Friends Meeting House
  - Monday 26th January
